**Chestnuthill Township
Flora & Fauna**

T **The 2019 Flora & Fauna Photo Calendar**

is a collaboration of photographs captured within the Chestnuthill Township Community by our very own residents. The intent of this calendar is to remind every resident about the beautiful community in which we live.

Additionally, we hope to highlight publicly accessible properties within the Township. Scan the QR code below to review the West End Open Space Brochure a brochure that highlights many beautiful publicly accessible areas within Chestnuthill Township and furthermore the entire West End Community.
