

Pre-sorting Recyclables Saves You Time

EST. 1763

CHESTNUTHILL
TOWNSHIP

Pre-sort your recyclables & trash at home.

Pre-sorting is very helpful in maintaining an efficient process when unloading your vehicle.

Have separate containers for each recyclable.

Use individual containers like plastic bags or bins for each recyclable material.

Need containers?

See attendant at the window for free recycling containers while supplies last.

Pre-sort Recyclables *BEFORE* using the facility!

Aluminum

1-7 Plastics

Rigid Plastic

Glass
